SETSQUICK PRINTABLE

Closet *Edit checklist*

One rail at a time. Keep what fits your body, your life and this season.

SETS

1 Sort

- [ ] Take everything off one rail or shelf
- [ ] Sort by category: tops, bottoms, dresses, layers
- [ ] Make a pile for repairs and dry cleaning
- [ ] Gather loose belts, bags and scarves

NOTES

2 Edit

- [ ] Keep what fits and what you wore this season
- [ ] Donate what you would not buy again today
- [ ] Limit duplicates: how many black tees do you wear?
- [ ] Set aside off-season pieces to store elsewhere

NOTES

3 Type

- [ ] Hang by category, then by color
- [ ] Fold knits and heavy sweaters, never hang them
- [ ] Most-worn pieces at eye level
- [ ] Shoes you wear weekly closest to the door

NOTES

4 Store

- [ ] Measure the usable rod length
- [ ] Switch to one slim hanger style on short rods
- [ ] Use labeled bins for off-season items
- [ ] Add a hook for tomorrow's outfit

NOTES

Keep it going

Hanger test: turn every hanger backward. Flip it when you wear the piece. In 90 days, review what never flipped.
