SETSQUICK PRINTABLE

Kitchen and Pantry *Reset checklist*

Work one zone at a time. Sort, edit, give it a home, and buy containers last.

SETS

1 Sort

- [ ] Empty one counter and the cabinet below it
- [ ] Group items by how you use them: cook, prep, serve, clean
- [ ] Pull every food item off one pantry shelf
- [ ] Group food by meal: breakfast, dinner, snacks, baking

NOTES

2 Edit

- [ ] Remove duplicates and broken or unused tools
- [ ] Toss expired food and stale spices
- [ ] Move open packets to a use-first basket
- [ ] Box donations and get them out of the house this week

NOTES

3 Type

- [ ] Daily items within reach, weekly items higher up
- [ ] Heavy items on low shelves
- [ ] One zone per shelf, labeled
- [ ] Keep the first counter by the stove clear

NOTES

4 Store

- [ ] Measure width, depth and height of each shelf
- [ ] Decant only what you use every week
- [ ] Choose risers or turntables for deep corners
- [ ] Label the front of every bin

NOTES

Keep it going

Five-minute nightly reset: clear one counter, wipe, run the dishwasher.
