SETSQUICK PRINTABLE

Measure Before You Buy *Worksheet*

Measure first. Then compare the exact organizer's dimensions and instructions with your space.

1 Space 1

Location: _____ Units: _____

Width _____ Depth _____ Height _____

Narrowest opening / point: _____

Hinges / obstacles: _____

NOTES

2 Space 2

Location: _____ Units: _____

Width _____ Depth _____ Height _____

Narrowest opening / point: _____

Hinges / obstacles: _____

NOTES

3 Space 3

Location: _____ Units: _____

Width _____ Depth _____ Height _____

Narrowest opening / point: _____

Hinges / obstacles: _____

NOTES

4 Before you decide

- ☐ Exact product model and variant recorded
- ☐ Exterior product dimensions verified, not package dimensions
- ☐ Narrowest opening and relevant hinges or obstacles measured
- ☐ Full movement and installation requirements checked separately
- ☐ Any unresolved fit or load requirement marked "unconfirmed"

Model / variant: _____

Product W _____ D _____ H _____ Units: _____

Unconfirmed: _____

Planning allowances · Any clearance allowances are planning aids and vary by product; the exact model's instructions and requirements take priority. These allowances help you plan clearance. They do not confirm product fit, installation compatibility, load capacity, or safe use. Check the exact model's dimensions and instructions.
